23 HIGHER EDUCATION CAMPUSES ON 5 CONTINENTS

LCI Education is a Canadian network of private institutions providing **educational expertise** in Canada and around the world. It traces its origins back to LaSalle College in Montreal, which was founded in 1959.

Present today on **5 continents**, the LCI Education network consists of **23 post-secondary campuses** in 12 countries, and some 2,000 employees offering education to over 12,000 students throughout the world each year. From one country to the other, LCI Education favors the harmonization of its programs, which makes for greater flexibility, better control over the quality of its services, and deeper respect towards various cultures it works with.

ADVANTAGES OF STUDYING WITHIN THE LCI EDUCATION NETWORK

- Pursue programs designed to meet **current job market demands**.
- Take advantage of **internationally-recognized programs**.
- Study abroad at one of our campuses (Montreal, Vancouver, Istanbul, Bogotá, Barcelona, Melbourne, Monterrey, Tunis, Casablanca, Jakarta, etc.), where your stay can be from one week to a full semester.
- Benefit from a **network with international reach**.
- Extend your Canadian adventure through a post-diploma work permit, if eligible.
