AEC
LCL.2A

With a core curriculum of studies, the Tourism Techniques program with a specialization in Development and Promotion of Travel Products (travel, hospitality, attractions, destinations, hotels, restaurants, etc) opens the doors to a wider array of careers in Québec, Canada or abroad.

This program focuses on the essential knowledge of tourism management. Teachers experienced in the industry provide their know-how and the key to success in entering the labor market. The program opens the doors to a variety of positions in development and promotion.

Students in this program may participate in the Job Fair organized by the International School of Hotel Management and Tourism, and eventually find a job in the industry.

Training Objective

This program will allow students to put into practice their knowledge and skills acquired in order to work in the business of tourism and leisure. This program leads to a career in Québec, Canada or abroad.

Career Prospects

- Development and promotion of travel products, tourist attractions and destinations
- Tourism and travel representatives in Québec and abroad
- Festival and event coordinator, meeting and special events planner

Diploma

This program leads to an Attestation of College Studies (AEC).

Admission Criteria

All applicants are eligible for a program leading to an Attestation of College Studies (AEC) if they have a level of education that is deemed sufficient by LaSalle College and they meet one of the following criteria:

- They have interrupted their full-time studies for at least two (2) consecutive semesters or (1) full school year
