DIPLOMA IN  
JEWELLERY DESIGN

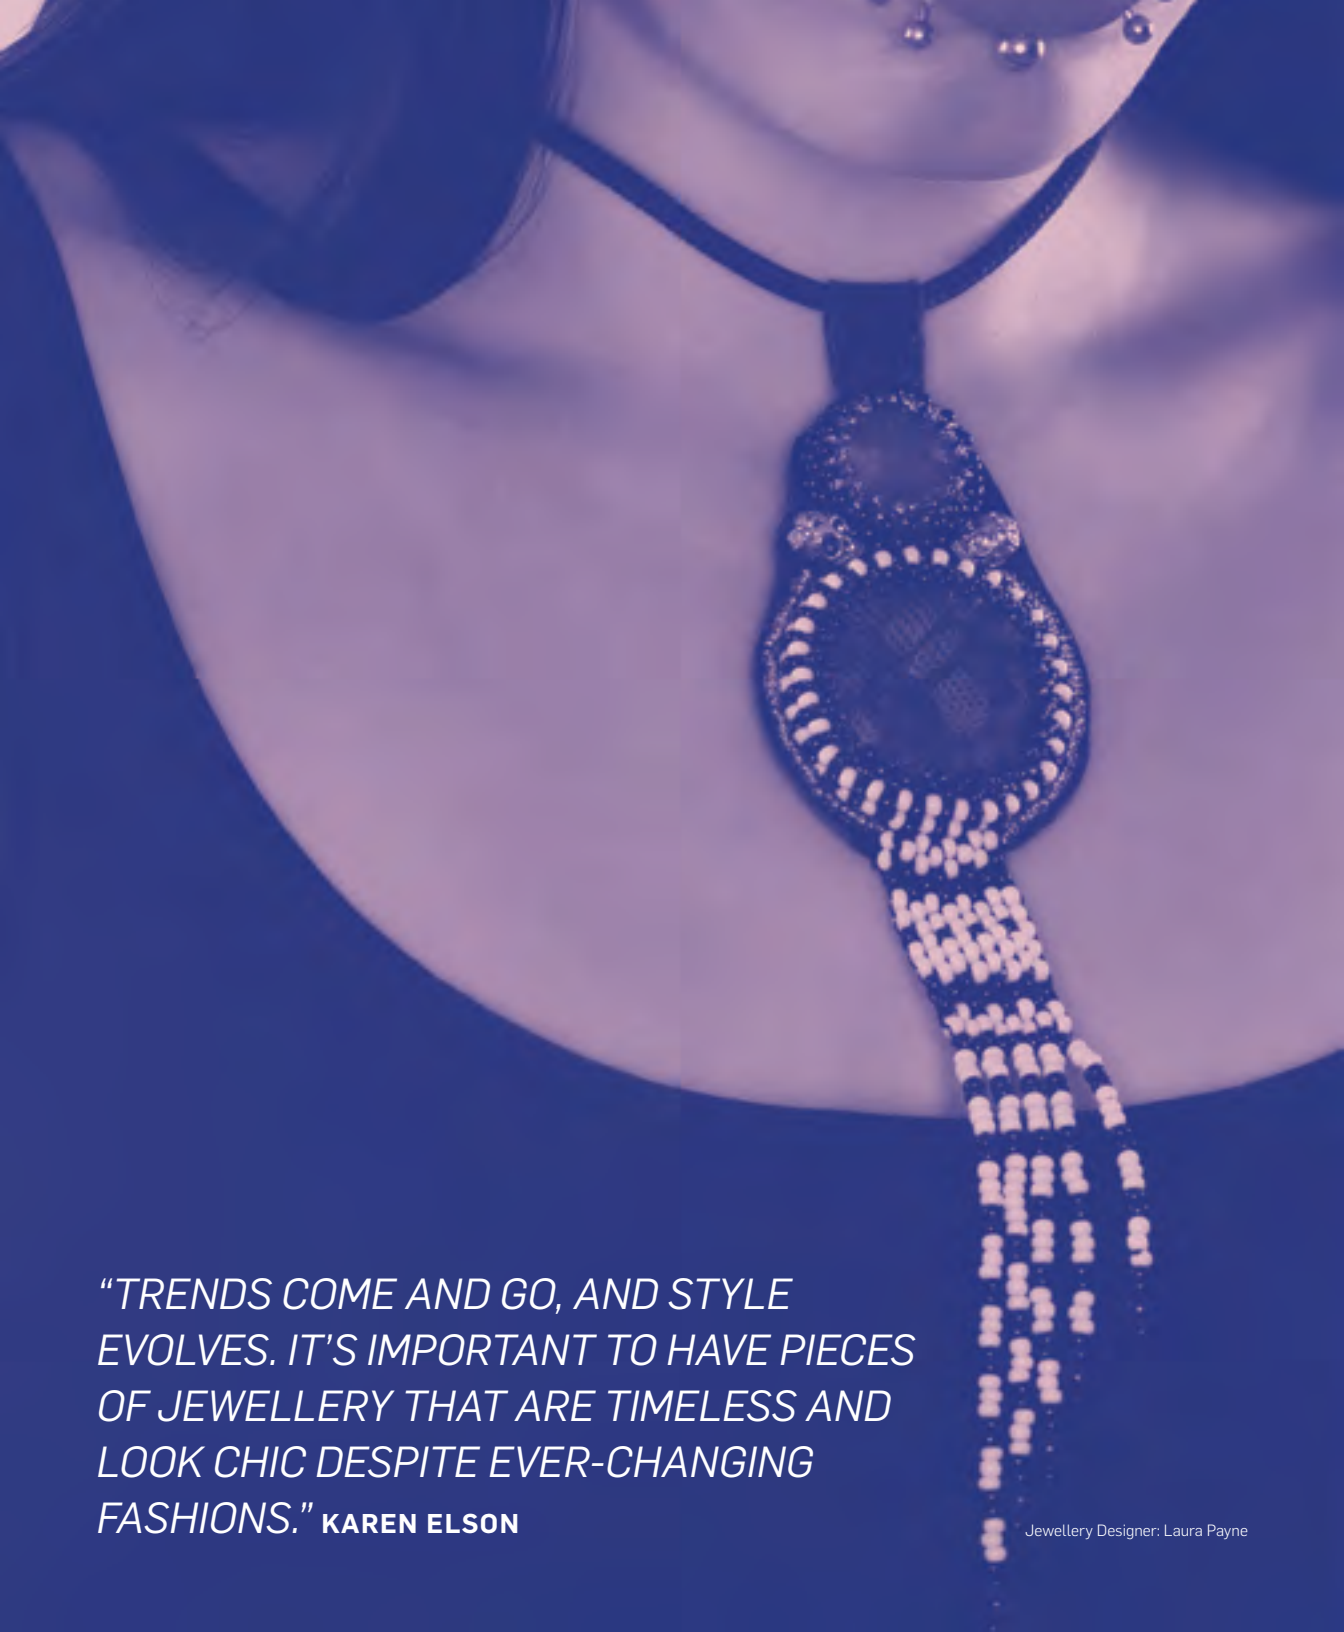

YOU'RE ABOUT TO CRAFT YOUR FUTURE.

**Build a foundation in design thinking, metalwork and the exploration of contemporary materials: With lab-based learning in our industry-grade jewellery atelier, learners will hone both their technical skills & conceptual thinking as they bring their visions to life. The curriculum is complimented with training in entrepreneurship and commercialization, enabling learners to go from concept to product & into market. The Jewellery Design diploma will include an exciting capstone project where artistic, and commercial objectives come together, to showcase student's unique product and market ready brand. Prepare to go from diamond in the rough to masterpiece.**
