ACCOMMODATION APPLICATION

The following regulations and guidelines are for students living with one of our home stay families or in student residences.

HOMESTAY POLICY

1. Host families offer their homes as part of a cultural exchange. It is as much the student's responsibility to fit into the lifestyle of the family as it is theirs to provide a safe, friendly, educational, and caring environment.
2. Students will be required to provide feedback on the host family regularly to ensure customer satisfaction. Students can expect a comfortable private bedroom with study desk and lamp, access to bathroom, use of TV, telephone/wifi, laundry, and meals if applicable. Snacks, maid service, and extra events are not included.
3. Students are expected to act responsibly and respectfully toward their homestay and their property.
4. Students are required to provide their own insurance.
5. Each family has its own house rules regarding smoking, alcohol consumption, responsibilities, cleaning, security, noise, friends visiting, telephone use, meal times, etc. Discuss these with your family.
6. Most Canadian families do not allow smoking in their homes but some will allow it outside the house. Please inform us if you smoke, and check your booking before arriving.
7. All comments regarding homestay should be relayed to LAB staff. Students will be relocated when complaints are justifiable.
8. LAB cannot guarantee a suitable homestay if bookings are not made 30 days in advance of arrival, although attempts will be made to satisfy requests.
9. Accommodation placement fee is required to submit a housing request (non-refundable). Once placement is confirmed, full payment is required to receive the homestay profile/housing confirmation.
10. If staying in student housing a \$200 damage deposit applies of which \$170 is returned after check out if there is no damage.

Disclaimer: LAB in no way accepts responsibility or liability for damage, loss, or injury that occurs to the student or homestay as a result of either the student or the homestay family.

LAB is currently placing students with host families through an outsourced Homestay agency. This homestay disclaimer applies to all participants in this homestay program, including hosts, applicants, affiliates, students and clients.

Homestay Change and Cancellation

Date changes to a homestay request made a minimum two weeks before arrival are free of charge for the first request. For any subsequent date change request a \$50 fee is charged. Homestay replacement requests incur a \$250 fee with a minimum one week notice.
